Our club, which is located just off Route 250, 3 miles east of Staunton, has 2 beautiful ranges which are a challenge to the best of archers. We have a large practice area with targets ranging from a bunny shot to 80 yards, we also have a large club house where refreshments and "ERNIE'S" good food will be available for those who wish to enjoy. We do offer camping on our range for those who enjoy bringing their camping equipment, however there are no hook ups available.

## The 1982 Bowhunt Raffle

by Bill Reeves, Chairman

The raffle is over and the winners are enjoying their prizes.

A question arises about 39 books of tickets that are, to date, not accounted for.

No entries, money, or unsold tickets received from the following clubs: Manahouc Bowmen, Blackwater Bowhunters, Richmond Archers, Shawnee Bowmen, Cochise Archers, Caney Ridge Archery or Boones Trail Archery Club.

Our raffle could have been a much greater success, if it had been fully backed by all the bowhunting clubs.

## Promoting Archery in the Schools

Tom Valentine explains how a compound bow works during seminar on bowhunting at Breckenridge Junior High School.

One of our area schools, Breckenridge Junior High, recently held Seminar Day. The Sherwood Club was contacted and asked to send a representative to lecture on bowhunting and archery. Sherwood member Tom Valentine, a high school student, presented a program on bowhunting entitled "Promoting Archery and Bowhunting in the Schools to our Young People and in the Community".

Dressed in jacket and trousers mottled with the colors of the jungle and proud of his American Indian ancestry, Valentine explained the difference between the stone arrowhead his ancestors used and the razor-thin arrowhead he uses when bowhunting.

## PRINCESS ANNE BOWMEN

Lots to report from this end of the State.

First of all, we would like to congratulate Charlie Brunnelson for winning the Bare Bow Championship at the State Open in Warwick last May. Princess Anne Bowmen had 9 other winners in various classes. Good work, all of you.

Perfect scores were shot by Buddy Jones, Ken Chilton and Bob Paulsen in the Spring Indoor Leagues. The summer league is still on and no "300" scores yet. I guess everyone is concentrating on getting good field scores.

Our Silver Quiver Annual was a big success, thanks to all the out of town guests we had. 74 Archers shot a total of 108 rounds. Richard Seese won the Indian Statuette—Ish. Pauline Evans won the cooker. Sam Gay and Robert Eason were the Horseshoe Champions. Warwick got the Participation Trophy and Cathy and Ken Chilton took the Husband and Wife Trophy.

Our elections were held last month and the following persons were elected to the Board of Directors of PAB for 1982-1983:

PRESIDENT-Bill Reeves; VICE PRESIDENT-Bill Enders; TREASURER-Denny Fry; CORRESPONDING SECRETARY-Nina Enders; RECORDING SECRETARY-Mary Fry; RANGE CAPTAIN-Benny Villorente; CUSTODIAN OF THE CONSTITUTION-Leela Villorente; 1 YEAR DELEGATE-Janet Hughey; 2 YEAR DELEGATE-Ellroy Russell. Bill Smiley was elected HUNTMASTER. It looks like another good year of leadership for PAB.

Our Broadhead Championships—East are coming up in September, so, all you Bowhunters, start sharpening your Broadheads and come on down!

You will see more deer and get more shots by making them come to you. The most successful scents attract deer by using the natural smells of deer. After years of experimentation, nationally acclaimed bowhunter, Tink Nathan, has developed the two most effective scents ever created. Originally made for his own family's use, Tink now offers these unbelievable lures for limited sale. These scents are not assembly line, chemical products made to imitate the smells of deer. RAFFLE—Continued from page 1

Thanks to all the clubs who hustled to sell the tickets and got their money and entries in on time.

If we have a raffle in 1983, think of how *you* can help. You could sell at least one ticket to help keep our dues a little lower. The club secretaries could do their part and make sure the chairman receives the donations, stubs, or tickets on time and the raffle could be a total success.

## VBA Meeting Highlights

The last quarterly VBA meeting was represented by 21 clubs. The next meeting will be held on September 25-26 at the Mt. Vernon Motel in Charlottesville. The Sept. 25 Saturday night meeting will be the scheduling session for your club's 1983 shoots. Every club is urged to have a delegate present at this meeting.

Agenda items to be voted on at the next meeting are as follows:

1. (Prince William) State Indoor be optionally held at 2 locations on the same date if there are two clubs who bid and the VBA board of directors approves a two location tournament. A tournament committee co-chaired by a member from each club will establish the procedures.
2. (Prince William) At State Indoor shoots, scoring will include counting spots (X's) for the purpose of breaking ties. Shoot-offs will be used only when both score and spot count are the same for 2 or more archers.
3. (Dixie) Every chartered club must hold at least one (1) sanctional shoot per year when facilities are available.
4. (Prince William) A child under the age of 12 may not accompany any archer in a state shoot during a sanctioned round unless that child is also a participant.

## Two deer limit West of Blue Ridge

The Virginia Game Commission passed the proposed 2-deer kill at the May 1982 meeting. This law will permit the taking of 2 deer by both gun and bowhunters. The bow hunter may take 2 deer of either sex during the bow season. The gun hunter may also take 2 deer during gun season, but does may be taken on the last day only. A hunter may also take one deer in each season if he prefers. If a hunter has any questions concerning this new law he should contact his local game officer.

There was also concern among some clubs about the proposed law to case all guns and bows when crossing or traveling in National forest areas. This issue was defeated.

With the additional deer kill permitted in the western part of the state, we may see an increase in the number of bow hunters this year. Let's conduct ourselves in a manner that represents our sport in the way it should be. Our actions may influence a prospective V.B.A. member.
