FLIGHT Deadline

The deadline for the Winter issue of FLIGHT will be June 11, 2018. Please submit articles of interest to the editor prior to that date. Send us your letters, stories or photos. This is your magazine and we encourage your contributions!

From the President

I never stop being impressed by VBA members who are committed to our sport and step up when a challenge arises. The latest example came over the winter months, when some members of our Virginia Senate and House introduced legislation that would allow a new device called an “Airbow” (<http://www.crosman.com/airbow>) to be used during the state-wide archery season. This new device shoots an arrow with a standard broadhead out of a scoped rifle using compressed air, at an advertised 450 FPS speed. While I believe the legislators who proposed this legislation had good intent, this device is really an “Airgun”, and has no place being used as a legal hunting device during the archery season. In fact, if it had passed, Virginia would have become the first state to approve its use during archery season! But fortunately, we have great members like our Shannon Nesselrodt, Ed Bickham and Curt Lytle who stepped up to speak at public hearings, mobilize a grass roots movement among our clubs, and personally contact legislators to explain our concerns. Through their efforts, we were able to effectively communicate our concerns, and through a letter writing campaign, let them know how many of our members felt this way. Through their efforts, a compromise was reached. The Airgun was approved for use by handicapped hunters for use during the state archery season, and may be used by any hunter during muzzle loader and modern gun seasons. I think this is a reasonable, fair use of this weapon. I would like to publicly thank Shannon, Ed and Curt for leading this effort, and all of you who participated in the letter writing campaign or contacted your State Representative to express your concern. Well Done!

While I don’t normally do re-runs of my article, I have recently been hearing some of our newer members asking what the Virginia Bowhunters Association does for them. I addressed that back in 2016, and since the question seems to have surfaced again, I would like to provide the answer I gave back then.

Let’s start off with the purpose of the VBA. Article 2 of our Constitution provides the following mission statement: “The purpose of this Association shall be to foster, expand and perpetuate the use of the bow in hunting all legal game; to cooperate with conservation organizations, Game and Fish Commission, and Forestry Services in their efforts for preservation of our natural resources and wildlife; to promote and encourage all approaches to competitive archery activities within the State of Virginia; and to generally require the highest standards of sportsman-like conduct in all phases of archery.”

Since our Constitution charges the VBA to support bowhunting, let’s go there first. As illustrated above, a large part of what your elected Officers and club Delegates do is to represent your club (and the bowhunting community at large) on a wide variety of issues that impact, or potentially could impact, bowhunting throughout the Commonwealth. Representatives of the VBA regularly attend meetings, write letters, and contacting the state leadership in order to make sure your voice and opinions are heard. If you are a bowhunter, you can be assured the VBA

is protecting your right to bowhunt in the Commonwealth, and sounding the alarm whenever an issue surfaces anywhere in the state that threatens this important part of our outdoor heritage!

And let's not forget that the VBA sponsored the International Bowhunters Education Program to both educate hunters and teach new instructors throughout the state years before the VDGIF decided to sponsor this important bowhunting safety course. Your VBA continues to sponsor it today, and all VBA clubs have the opportunity to host IBEP classes for their members through the VBA's IBEP Coordinator.

What about that portion of our archery community that are strictly target shooters? What does the VBA do for you? First off, do you use the VBA Shoot Card to plan your weekend shooting? Every September the VBA hosts the club Delegates for a meeting where we work out the shooting schedule for the next year, and de-conflict any dates where two clubs in the same zone both have shoots scheduled. That allows you to attend both on different dates, instead of having to choose one over the other. And have you noticed that the shooting styles, rules and guidelines are the same at any VBA club where you shoot? That's because the VBA offers a forum where your club Delegates can discuss and approve changes so you don't find the same equipment you shot with last week puts you into a completely different shooting class the next week when you shoot at another club. Another key point – did you know that the VBA inspects the ranges of member clubs? This is done both to ensure they are laid out in a way that ensures your safety when you shoot on your club's ranges, as well as to make sure archers are not impeded by obstacles when shooting in tournaments. Then there are the State Championships – State Indoor, Spring 3-D Classic, Fall 3-D Classic, State Open and State Closed. These competitive shoots not only give you a chance to test your skills but also to recognize those archers which truly excel in their class and style. They also serve as tune ups for these same archers who compete at the National Level. All because your VBA and club Delegates make this happen!

In short, if you are connected to the sport of archery in anyway, the VBA is there for you, with ongoing programs that live up to our mission statement to promote bowhunting and archery across the Commonwealth. It ensures the sport we all love will be here for our children to enjoy just as much as we do. I don't think you can find a better value for your money!

Good Shooting! Bob 

From the Executive Vice President

With two of the VBA state tournaments in the record books for the year with a good turn out, I would like to stress how important it is that you not only support the VBA at shoots but also your local clubs. Many of the local clubs are small and may not have a lot of resources to not only upgrade their facilities but may not be able to maintain their current way of operating. That's where the membership comes in, the membership needs to support the club by simply coming to tournaments and participating in its events and by bringing in friends that may not even know such events take place. I hope to see an increase in the number of shooters at all of the VBA state shoots and also at the local club shoots and annuals.

With Turkey season and the tournament season well under way now please send me any photos and or articles of hunting success or tournament success or even those, OOPS did I do that, moments so that way we all can be amazed or have a chuckle at what you have done.

Terry 

From the Field Vice President

The 2018 Virginia Bowhunters Association State Indoor Sectionals were a success and congrats to the hosting clubs. Thanks for all your hard work and time. This State Indoor Sectional Tournament is the first official VBA tournament of the year and it was held at Belvoir Bowhunters, Bowhunters of Rockingham, Sherwood Archers, and Kingsboro Bowmen. In 2016 the VBA had 144 competitive archers participate in the Indoor State Sectional and in 2017 the VBA had 164 archers competing from across the Commonwealth of Virginia participate. This year I am proud to say that we had 179 total registered archers participated in the 2018 Indoor State Sectional. Thank you to the hosting clubs, Irene Stocksdales, Marie Bell, Chris Holloman, Tim Seymour and a special thanks to Lowell Hertzler for running an exceptional shoot. Congratulations to all that competed in the great sport of indoor archery.

179 Total archers participated in the VBA State Shoot.

65 Belvoir Bowhunters

33 Sherwood Archers

19 Kingsboro Bowmen

62 Bowhunters of Rockingham

Awesome job New River Bowhunters on hosting a superb VBA State 3-D shoot. Tony Hall, Alan Duncan made the execution of this shoot seem smooth as silk. Thank you and the New River team for all the hard work and effort. Congratulations to all that competed in the great sport of 3-D archery. The total number of classed shooters were 58 during the Spring 3-D State shoot. If you have not seen this beautiful 3D range please check them out on our Facebook page at <https://www.facebook.com/media/set/?set=a.2065632196990806.1073741832.1756414917912537&type=3>. Once again, thank you to the hosting clubs, Irene Stocksdales, Marie Bell, and Tim Seymour for your exceptional support.

GROWTH: At the State Indoor Sectional there were 17 guest archers and at the Spring 3-D State shoot there were 27 guest archers. These folks could be potential club members. If you haven't notice I will continue to circle back to "Growing the Great Sport of Archery" through Recruitment, Retention and Re-engagement. As you know when that bow is in your hand it becomes addictive in nature. Thus archery sells itself with positive folks supporting the sport. With that being said, when we conduct our various club shoots and State Championship shoots it's recommended we engage with the guest archers. Look at showing them the positive attributes of your club, the VBA and even other clubs in the area. Have membership forms ready to go. We should all be doing our part to grow the sport. As archers and bowhunters we have a duty to participate in archery events to support the clubs and the sport. The more I reach out to the good people in the Great State of Virginia, I am surprised at all these new clubs popping up across the state. If you find a new club in the area please email me at dalebakari@hotmail.com and the membership chair Larry Readal at lreadal@gmail.com. Let's see how many new clubs we can bring into the VBA fold.

COACHING: If you have a weekend open, think about becoming a certified archery instructor. The State organizations, the VBA, and VBA Clubs always needs volunteer instructors. Archery Instructors and Coaches are the foundation of USA Archery's programs, camps and the athlete development pipeline. Obtaining a certification not only provides you with valuable knowledge and hands-on skills, but also boosts the marketing value of your program. USA Archery, the National Field Archery Association and the Archery Shooters Association jointly recognize all certification levels.

COMPETITION: During the 2018 State Indoor Sectional we had four archers so focused they decided to place one arrow into another thereby earning the "Robin Hood Pin" at the 2018 State Indoor Sectionals. These 4 archers are Tom Korbini from Massanutten Archery Club (MAC); Jeff McManus from Staunton River Archery Club (SRAC); John Weller (Manahoac Bowmen); and Steve Richards from (Belvoir Bowhunters). Congratulations to all of our 2018 Indoor Sectional and Spring 3-D State Champions.

The total number of classed shooters were 58 during the Spring 3-D State shoot with about 27 of them being guest. Just in case some of you were not aware, this is the first year with the Beginner Bowhunter Open Class added to the VBA records; congratulations to Eddie Hickerson on being added to the record books with a score of 254 and 8 (11s).

COMMUNICATION: The Tournament Committee always need volunteers. We have the 2018 State Field Championships (Open & Closed) and the Fall State 3-D Championship shoot on the horizon. You can get the latest information on our website at <http://vbarchers.com/> or via Facebook at <https://www.facebook.com/VirginiaBowhuntersAssociation/>

Congratulations to our Double and Triple Crown Winners of 2017:

Double Crown: Denny Cline (RU); Tony Hall (HF); Jenifer Stoner (FTRD); Regina Stroop (FHC); Paul Vogel (STRD); Mike Westfall (TRD), Triple Crown: Mike Hand (MSMTRAD); Regina Stroop (AFBHFS/R); Logan Weller (YAMFS/R); Mike Westfall (TRD).

Bakari Dale, Field Vice President 

AGENDA ITEMS

1. Sect.15.1.10, Registration Fees, PG. 12: Add Sect. E: A 80% refund will be sent to preregistered shooters upon a written request submitted within two weeks of tournament. The host club may keep 20% of fee and send refund within 14 days to shooter. EFFECTIVE IMMEDIATELY. Passed 33-1.
2. Require the posting of all agenda items with submitting club name to the Flight issue, directly following the VBA quarterly meeting. Posting of voting results of agenda items to include the roll call votes for each item in the Flight Magazine, following the votes. EFFECTIVE IMMEDIATELY. Passed 30-4 , amended see VBA Homepage at www.vbarchers.com.
3. Bowhunters of Rockingham would like for the VBA to donate a 48"x48" block target to the town of Shenandoah for their new range. EFFECTIVE IMMEDIATELY. Passed 18-5, and 2AB.
4. Sherwood Archers proposes that the format for the State Indoor Tournament be changed to allow each of the hosting clubs to choose to hold 2 rounds each day, instead of the normal 3. Shooting times will be the club's choice. Also, we propose to give the club's the option to opt out of the Friday night registration. Each hosting club would be responsible to show changes and advertise it in the Flight and Contracts. EFFECTIVE, 2019. Passed, 33 and 1 AB, Amended.

DGIF ADVISES CAUTION ON WEBSITES SELLING FISHING LICENSES

RICHMOND, VA – The Department of Game and Inland Fisheries (DGIF) is putting out an advisory to the public about websites claiming to sell Virginia fishing licenses. We want to remind you that GoOutdoorsVA.com and dgif.virginia.gov are the only official websites to purchase fishing and hunting licenses, and permits. If you have a smart phone, you can access the [Go Outdoors Virginia mobile app](#) for license purchases.

Some of the sites we are aware of are: fishinglicense.org; fishandgamelicense.org; recreationallicense.org; license.org; and hunting-license.org.

DGIF has no affiliation with these sites. Customers have reported completing transactions on these sites believing they were buying a license or permit, when, in fact, they purchased an informational guide.

You may view our [hunting and fishing digests](#) online or pick up a copy wherever [licenses are sold](#).

To view a list of all license vendors, please check our website at <https://www.dgif.virginia.gov/licenses/>.

If you need more information, please contact us at 804.367.1000 or for general questions: dgifweb@dgif.virginia.gov

The “Dave Proctor Bowhunter Award for the Virginia Bowhunters Association”

The “Dave Proctor Bowhunter Award” program has been created by the VBA in memory of and with great respect to David Proctor who served the VBA as Hunting VP and Executive VP for many years in a dedicated and exemplary manner, giving us all an example of a true Virginia sportsman and bowhunter.

The “Dave Proctor Award” is effective for the harvest of all big and small game beginning January 14, 2018. Game harvested shall be reported to the VBA Secretary each year on the form provided by the VBA. The reporting year shall coincide with the end of the regular Virginia archery season, the first Saturday in January of each year, through the end of the season the next year. The reporting form shall be mailed to the VBA secretary no later than 30 days after the end of the reporting year.

The “Dave Proctor Bowhunter Award” is available to current members of the VBA. Any game reported must have been taken while a member of the VBA, game harvested prior to becoming a member are not eligible. Each level achieved must be completed before a member can begin accumulating points for the next award level. All game taken must be harvested according to rules of “fair chase” and in compliance with all game

laws and regulations of the state or locality in which harvested. All game reported for this award must have been harvested by means of legal Virginia archery equipment. Game reported may be from Virginia or wherever the travels of the VBA member may take them, across the country or around the world. Any member known to report illegal kills or falsifying game reported will forfeit all accumulated points and will be disqualified from participating in the “Dave Proctor Award” program thereafter.

There shall be three (3) levels of achievement for the “David Proctor Bowhunter Award”. All award levels will be achieved according to the points system as listed below:

FIRST AWARD – “Virginia Bowhunter”

A total of fifty (50) points are needed to achieve the “David Proctor Virginia Bowhunter” award level. At least four (4) different game species are required, one (1) of which must be a big game animal. Members achieving this award will be presented with a “VBA David Proctor Virginia Bowhunter”

Certificate recognizing their achievement and will be acknowledged in the Flight newsletter.

SECOND AWARD – “Southern Bowhunter”

A total of one hundred (100) points are needed to achieve the “David Proctor Southern Bowhunter Award”. At least four (4) game species are required, two (2) of which must be big game animals. Members achieving this award will be presented with a special edition “VBA David Proctor Southern Bowhunter” Sheath Knife recognizing their achievement and will be acknowledged in the Flight newsletter.

THIRD AWARD – “Ultimate Virginia Bowhunter”

A total of one hundred fifty (150) points are needed to achieve the “David Proctor Ultimate Virginia Bowhunter Award”. At least four (4) game species are required, three (3) of which must be big game animals. Members achieving this award will be presented with a special edition VBA David Proctor Ultimate Bowhunter Custom Embroidered Hunting Jacket recognizing their achievement, will be honored as a special “Ultimate Bowhunter” guest of the VBA president at the next VBA banquet, and will be acknowledged in the Flight newsletter.

16 NEW CWD POSITIVE WHITE-TAILED DEER IN NORTHWEST VIRGINIA

RICHMOND, VA- Chronic Wasting Disease (CWD) was confirmed by the Virginia Department of Game and Inland Fisheries (DGIF) in 14 deer in Frederick County and two deer in Shenandoah County during the 2017 deer hunting season. Fifteen of the deer were harvested by hunters and one deer was killed by a vehicle. Approximately 1,500 deer from Frederick, Clarke, Warren, and Shenandoah counties were tested for CWD during the hunting season. Since 2009, 38 CWD-positive deer have been confirmed in Frederick (35) and Shenandoah (3) Counties.

The Virginia CWD Containment Area borders are expected to remain the same – the four counties named above - for the fall 2018 hunting season. DGIF plans to collect CWD samples from the Containment Area on the first two Saturdays of the 2018 firearms deer season.

DGIF appreciates the assistance of deer hunters for the excellent cooperation during CWD sample collection this past fall. DGIF would also like to thank the cooperating road-kill contractor and deer processors for their assistance. We look forward to continuing these partnerships in 2018.

CWD has been detected in 24 states and three Canadian provinces. The disease is a slow, progressive neurologic (brain and nervous system) disease found in deer, elk, and moose in North America which ultimately results in death of the animal. It is spread through urine, feces, and saliva. Symptoms do not appear for several years and include staggering, abnormal posture, lowered head, drooling, confusion, and marked weight loss.

There is no evidence that CWD can be naturally transmitted to humans, livestock, or pets, but the Centers for Disease Control and Prevention advise hunters to test all deer harvested from known CWD-positive areas and to not consume any animals that test positive for the disease. Regulations pertaining to CWD, maps of affected states, and more information about the disease and what DGIF is doing about it can be found on the DGIF website at: www.dgif.virginia.gov/wildlife/disease/cwd

ORDER OF THE GOLDEN FEATHER

NOMINATIONS DUE IN MARCH

The VBA Order of the Golden Feather was created to honor those persons who have given unselfishly of their time and talents toward the betterment of archery and archers. Recipients are persons who possess the virtues of sportsmanship, character, morals, integrity and friendship. As a reflection of the substance for membership, only 80 people have been elected to the Order in the past 71 years.

To be qualified, a candidate must be member in good standing of the VBA at the time of nomination, must have a minimum of ten successive years' membership in the VBA and must be sponsored by three VBA members of good standing or by a VBA Club.

This article is a reminder that candidates must be submitted to the Board of Directors at the March meeting for this year. Nominations must be in writing and be signed by sponsoring individuals or a Club officer. Successful nominees have always performed duties or had an impact outside their immediate club.

Details can be found in Article 16 of the VBA By-Laws.
